1. HSC OPEN SESSIONS. At Mitch's suggestion I pointed out to [REDACTED] that it might be a good idea if we had someone attend the open sessions of the HSC to note trends and key questions or issues. Mitch felt that this might be a good job for a summer intern. [REDACTED] thought this was a good idea and will take it up with Cary. Lyle also thought that Walter Pforzheimer might be a good man for this although he is quite well known on the Hill. (SC/DCI, [REDACTED])

2.

[REDACTED] asked if I would see that Pike got a copy of the letter we had sent to Speaker Albert, along with a note pointing out that we had received affirmative responses from Mansfield, Church, Albert, Nedzi and Department of Justice, and that we were seeking his approval in his new capacity as Chairman, HSC. I said I would forward the package to Boos for handling, after explaining to him what I was up to. [REDACTED] OLC)
